

DELAWARE COUNTY COMMUNITY EMERGENCY RESPONSE TEAM

ServPA Affiliation Directions

The CERT basic training is just the beginning of what we hope is a long relationship with our Citizen Corps program. Hundreds of volunteers like you participate regularly in additional training, exercises, and responses. Please take the time to get yourself affiliated with Delaware County CERT on the state volunteer website, ServPA.

Just **CLICK ON THE SERVPA LOGO** or go to WWW.SERV.PA.GOV and click on the **REGISTER NOW** button. This brings up a new page, click on the **ADD ORGANIZATION** button. This brings up a new page, click on the **COMMUNITY EMERGENCY RESPONSE TEAM (CERT) ORGANIZATION** button (fourth from the top). This opens up an indented list of CERT organizations, click in the square box on the left of the fourth choice down, **DELAWARE COUNTY CERT**, and check this box. Then click **SELECT** in the bottom right corner of the page. You will then be brought back to the registration page and be able to enter in your own **USER NAME** and **PASSWORD**, and complete the registration process. This will take several minutes, but in order for volunteers to participate in future activities we need to have a criminal background check, driver's license check, and any credentials confirmed.

Please feel free to contact me about any issues with ServPA.
